Coordinator/Chaperone Release-

<https://waiver.fr/p-tNrK2>

Coordinators-

You are responsible for organizing your chaperones and students. When you arrive at Wachusett you need to:

- Make sure your chaperones know who they are responsible for, what to do and where to go
- Choose a designated meeting spot for chaperones and students
- Stop by the group sales desk with your attendance list. At this time, you will receive absentee coupons, replace any lost badges (there is a \$15 replacement fee), and purchase any guest passes needed
- Check in with your chaperones to see if they need help with any students and pass out any new badges you may have picked up.

The forms above need to be filled out and returned to group sales by December 11th in order for you to receive your badges.

Chaperones-

They can be the same each week or you can rotate. You are allotted 1 chaperone per 10 students. Chaperones must be 21 years of age or older.

Chaperone responsibilities include:

- Distributing student badges
- Assisting with rental process and taking students to lessons
- Supervising students in the lodge and on the mountain

Chaperones may go skiing or riding after all students are through the rental process, have their equipment on and are on the hill or with their instructor. Outside your allotted chaperones extra adult helpers can purchase guest tickets and rentals with you during check-in.
